SCHOOL MISSION

We are faith-filled Catholic school that promotes academic achievement and spiritual development for our students and families. This is reflected through worship, support of each other, and service to the community.

Think of what companies you are in contact with, where you shop, eat or experiences you enjoy. Ask yourself what items you would like to see or buy at the auction.

Purchase the items yourself or have a family member or friend to contribute.

Minimum value of items accepted for your procured item is \$75. Procurement forms are available at the office.

VOLUNTEERING

Studies show that parental involvement in a child's education is one of the most important factors in their academic excellence and self-esteem. We realize that every family is unique - with its own priorities, talents, needs and time constraints. So we try to provide as many volunteer opportunities as possible to help you reach your 35 hours. The auction is a great way to get your hours, meet other parents, & help the school in a BIG way!
