

Note from the Principal

Dear St. Vincent de Paul School Supporters,

The Annual Fund is a sign of your commitment to invest in the future of our parish children and school. As we continue to meet the current and future tuition assistance needs of our families, we also need to continue to offer the best possible learning environment for our students.

In an effort to maintain the best learning environment at St. Vincent's, we have been updating the student furniture in our classrooms. Last year's Annual Fund School Improvement Project donations, along with our annual auction fund-an-item, made it possible to complete our Furniture Project! All of the original *fifty-year-old* desks and chairs have been replaced in the first through sixth grade classrooms!

This year, the Annual Fund donors will again have the opportunity to *choose* how their donations will be spent. Donors may decide to support the Endowment, current tuition needs, or our school improvement project for additional student Chromebooks.

Thank you for supporting St. Vincent's. Help us continue the legacy of offering a first-class Catholic education for our children. Please consider a donation to the 2019-20 Annual Fund!

Wanda

Wanda Stewart, Principal

What is the Annual Fund?

The Annual Fund was established in 2010. The purpose was to provide need-based tuition assistance to parish families attending St. Vincent de Paul School, now and in the future. We believe that every parish family that desires a first-class Catholic education for their children should be provided the opportunity to attend our Parish school, regardless of financial need.

*Photos:
We are loving our new furniture. New desks and chairs are now throughout our building— learning in second grade, reading in 5th/6th grade religion class, and writing in first grade .*

We are a parish school forming children to be faith-filled Catholics, to have a joy for learning, and to be responsible members of our community.

Fund Goal

We are committed to making Catholic School Education available to all of our children and we do that through the Tuition Assistance Fund and the Endowment which will be available for support in perpetuity. This year we also have some immediate needs and would like to purchase additional Chromebooks for students.

2019-20 Allocations

Donors may indicate how you would like to allocate your donation in these areas:

- Current tuition assistance needs
- Endowment
- School Improvement for immediate need
