Dear Families,

Didn't our student lectors and speakers do a great job last weekend? Didn't the Select Choir sing beautifully at the 9 am Mass on Sunday!? I was so proud of everyone! They represented our school so well!

It's been a fun week! Tomorrow is our Tailgate Party Lunch and all school read-in. The school will provide hot dogs/buns, chips, and dessert for lunch for all students k-8. The read-in begins at 2 pm. Bring a good book and join us if you can.

State of the School Meetings

State of the School Meetings are scheduled for Feb. 4th & 6th. A parent from each family is required to attend one of these meetings. At the meetings, the School Commission reports on the state of the school and contracts for 2020-21 are handed out to parents. Mark your calendar so you don't miss one of these important meetings. The Raffle will be held at the end of the meeting on Feb. 4th.

Auction

Auction procurements (donations) are due February 3rd. Please complete the procurement forms and bring your items to the school office.

You should have received your invitation to the Gala Dinner Oral Auction. If you would like to sit with a group of people, please turn in your rsvp card and fees together as soon as possible.

Please consider inviting someone outside of our school community who supports Catholic education to attend the Gala with you. It's such a fun event!

Be sure to invite your family and friends to the Family Night Auction! This is a fun evening for all ages!

Dennis Uniform Store

The Dennis Uniform Store has closed. All new uniform purchases will now be made online.

Don't forget we have the Uniform Exchange. You can turn in a uniform piece that is too small and take a larger size. If you don't have an item to trade, a small donation is requested for the items you need.

St. Vincent de Paul, pray for us.
With my love and prayers,

Wanda

King County Library System Student Accounts

Miss Nobs is working with the King County Library System (KCLS) to facilitate the creation of Student Accounts for students in grades 5-8 for the KCLS. This will make it possible for teachers and students to access and use KCLS' downloadable and online resources. To create the student accounts, we will make the following student information available to KCLS: student's first and last name, date of birth, and St. Vincent's library card number. This information is considered confidential under our agreement with KCLS as well as under the Family Education Rights and Privacy Act and KCLS will only use the information for the legitimate educational purpose of providing library access pursuant to our Agreement and will not re-disclose the information to any other party for any reason. We are excited about this opportunity. If you do not wish for your child to have a Student Account for the KCLS, please let me know in writing by January 31st.
