What does the fall look like?

We can't predict the future, but at this time we do plan to be here 5 days a week in-person with our Extended Care program fully open. Some COVID restrictions, such as masks and physical distancing, are expected to still be in place. It looks like we will not need to have you sign the COVID screening or do temperature checks. I will keep you posted on guidelines revisions as they are adjusted by the state and Health Department over the summer.

Extended Care

Our Extended Care program will be fully open in the fall. Please register your child if you will need before or afterschool care. A registration form is attached.

2021-22 Calendar

A copy of the yearly calendar is attached. The summer calendar was emailed to you on Monday and is also attached today.

St. Vincent de Paul, pray for us.

With my love and prayers,

Wanda
