School Resumes

Dear Families,

One of our grandparents was here this morning trimming the shrubs in front of the office. It brought joy to my heart as I thought about his journey from a student here many years ago helping Ray Brown on the parish grounds to having his granddaughter at St. Vincent's now. (Ray was one of our former facilities managers.) I heard him telling Mrs. Wolf that what he knows about gardening he learned from Mr. Brown. This reminds me of just how much influence we have on our young people. Without even thinking about it, we share the Gospel values daily through our kind words and actions. Matt Weinberger, thank you for sprucing up the gardens and for adding a bit of joy to my day.

The latest COVID guidelines from the Health Department do not indicate the need for physical distancing. Masks will still be optional. We will continue our safety practices of using hand sanitizer upon entering rooms, wiping desks between class changes, keeping windows and doors open with a fan in one window, and using the air purifiers. If we have any outbreaks in the future, we will mask up as needed.

*New parents*, don't forget about our New Family meeting on August 25th at 6pm. We will make sure you are ready for the first day of school!

*Everyone*, don't forget about the All School Ice Cream Social on August 25th 7:15-8:15pm. This will be on the blacktop between the main building and Penny's Park. The Parish Picnic is August 27th from noon to 4. Join us

We are a faith-filled Catholic school that promotes academic achievement and spiritual development for our students and their families. This is reflected through worship, learning, support of each other, and service to the community. Together we can help our children learn to think, act, and love like Jesus.

Please keep all of the people in our community who are ill in your prayers.

St. Vincent de Paul, pray for us.

With my love and prayers,

*Wanda*
