Christmas Concert

Miss Keck sent you a note about Christmas Concert expectations. It has been a while since we have been able to present a Christmas concert and we want it to be a special evening performance. Please be sure students have clean uniforms and that hair is appropriate (boys hair should be above the eyebrows and above the collar, everyone should have hair out the eyes). The concert begins at 7pm in the church. We will open the doors to the school at 6:30 for children to enter and prepare for the concert. If you arrive prior to 6:30 children will need to stay with you. If you are waiting in the church, please remind your child that you are waiting in God's house.

This is not a Seahawks Blue Day.

Inclement Weather Reminders

If we have inclement weather, look for a school text message, and/or KING or KOMO TV websites for information for our school. I try to make the call for a late start or closure by 6am.

- When we have a late start:
- ***School will begin at 10:30 that morning.
- ***There is no pre-k class that day.
- ***There is no am extended care.
- ***There is no am band.

Please drop off your child only if you see an adult outside waiting for children to arrive. Please allow plenty of space between the car in front of you as you come down 8th Avenue and in the driveway. This is for safety in case a car begins to slide. When we have snowy or icy roads, begin your drive to school only when you are comfortable driving given the road conditions. We do not count anyone tardy on an inclement day as safety is the first priority.

St. Vincent de Paul, pray for us,
With my love and prayers,

Wanda
