Summer Volunteer Opportunity

- If you like to garden, the gardens around the school need tending during the summer months. We have the gardens in front of the school office, the science room and around the corner of the gym going down the ramp. If you would like to adopt one of these areas and come faithfully over the summer to care for it, please call me as soon as possible.
- We like to keep Penny's Park clean and looking good over the summer. If you would like to help with this, let me know.

Supply Lists
Supply lists for the 25-26 school year are posted on the school website!

Final Report Cards
Final report cards will be mailed to families whose accounts are current the week after school is out. This means tuition, service time, fundraising, extended care, and library book/lost book fees must be paid or current for cards to be mailed.

Have a fun and safe summer!

St. Vincent de Paul, pray for us.
With my love and prayers,

Wanda
