Dear Families,

Lent continues....

I hope the season of Lent is providing opportunities for your family to grow in faith. The Lenten practices of prayer, fasting, and almsgiving can help us see others through the eyes of Jesus. I have been practicing Fr. John Patrick's suggestion of praying four times a day for two minutes at a time.

Para-educator Needed

I wanted to let you know that Mrs. Langi's last day is this Friday. Please help us thank her for her service as a para-educator at our school this year. We will miss her. This means that we need to find a replacement her as soon as possible. If you are interested in applying or know of anyone who might like to apply, please call me.

Substitute Teachers

We are also looking for substitute teachers. Whenever one of our teachers is ill or needs time off, we are scrambling to cover classes for the day. If you would like to be considered as a substitute or know of any teachers looking to substitute, let me know.

Mrs. Pattison is doing a fine job substituting in our middle school and agreed to remain until a replacement teacher could be found. The search for a teacher continues.

Enrollment

We would like for our school to be full next year. Our goal is an enrollment of 260. We are currently at 254. Help us reach our goal by letting families who might be a good fit for St. Vincent's know that we have openings in preschool, prek, kindergarten, and in second, third, fifth, and sixth grades.

Contracts for 2023-24

We still have just a few families who need to complete their contracts for next year. Thanks for finishing the enrollment process as soon as possible.
