Dear Families,

Back-to-School Night is tonight starting at 7 pm! This evening is for parents of students in PreK-grade 8. You have the opportunity to meet your child's teacher(s) and learn about our curriculum. Everyone will start the evening in their child's homeroom. Parents of students in grades 3-8 will then travel from room to room to meet the rest of your child's teachers .

The **Parish Fall Festival** is Saturday, September 14th! I am looking forward to some good food, the bike parade, and the Mass at 5 pm. Hope to see you there. If you would like to volunteer, call Roxanne Moynihan at 206-816-5099.

Thank you for arriving prior to 8:25! You are doing an awesome job, parents! We will be bringing students into the school starting at 8:20 each morning. I will shut the front door at 8:25. If you arrive after that time, you will need to walk into the office to check-in your child. Students need to be in their seats and ready for prayer at 8:30!

Stanford Redbird Math Program

We have only 5 openings left for the after-school session of the Stafford Redbird Math Program. Please register your child as soon as possible. Information about the program is on page 2.

Volunteer Teams

Volunteers for teams are listed on page 3. I will try to send the Garden and Penny's Park teams an email this month with assignments and responsibilities. If you signed up for helping in the lunchroom, please come to the parish hall at 11:45 on the day you selected. If you are a Mass greeter, please give me a call just prior to the month you would like to serve as a greeter to go over what you need to do. Sunday scrip card volunteers, meet me in the main narthex after the 9 am Mass. Thank you, everyone!

Messaging System

Our messaging system is working again. Please be sure to review the phone/email contact information sheet that Mrs. Wolf is sending in the envelope this week. If you did not receive the text message on Wednesday evening regarding Back-to-School Night, we may not have your current cell phone number or you may have blocked our messages on your phone.

Band Schedule

We have a change in our band schedule this year. Advanced Band will meet on Monday mornings, 7:40-8:15, and Friday afternoons, 3-3:45. Beginning Band will meet on Wednesday mornings, 7:40-8:15, and Friday afternoons, 2:45-3. Tomorrow, September 13, is the first day for band.

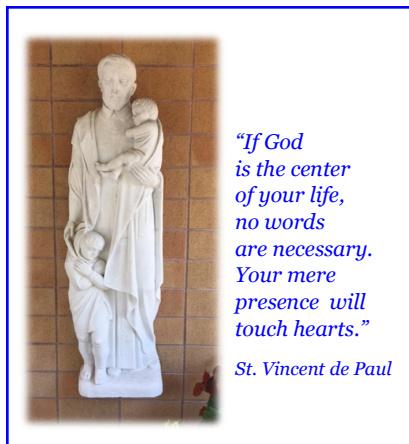

We are loving the new desks and chairs in the 5/6 classrooms! Thank s for your support!

St. Vincent de Paul, pray for us.

With my love and prayers,

Wanda

The Stanford Redbird Math Program

The Stanford Redbird Math program is designed around skill-specific lessons to help students build understanding through multiple forms of instruction and then apply their knowledge to practice items, games and word problems. Throughout the course, students are introduced to STEM themes and careers, making connections between the mathematics they are learning and authentic real-world applications. We are excited to offer this program again next year.

This year, we will have an afternoon session only (T, W, Th 3-3:30). **The session is open to students in grades 2-8.** The cost is \$400 for the year. \$200 is due when you register your child, and the balance is due by the first day of school in the fall.

Please register my child in the Stanford Redbird Math Program for 2019-20. My check for \$200 is attached.
