Back-to-School Night Zoom Meetings for Parents

We are planning to have Back-to-School Night early this year. We hope this will help answer any questions you may have about your child's classes. In case you are unable to attend the meeting or have more than one child, the meetings will be recorded and posted on the teacher's Seesaw account or Google Classroom. Teachers will be sending you a Back-to-School Night Zoom Meeting invitation. If you have not received an email invite, please check your junk mail.

Dear Families,

Delightful! The sound of little voices in the building was delightful music to my ears this week!

Say a prayer for a successful start to our year as academic classes begin September 8th! Reach out to us if you need assistance. We are here for you.

May we all have peaceful hearts as we begin the new year.

St. Vincent de Paul, pray for us.

Peace be with you,

Wanda

Handbook Updates

The School Commission updated our Parent and Student Handbook following the handbook template from the Office of Catholic Schools. The handbook is on the school website: click on Parents, Handbook, and then the link to Parent and Student Handbook. It is important that each parent read the handbook and share the appropriate information with his/her child. It is expected that each student and parent make a sincere effort to follow the policies and procedures and support the Catholic nature of the school. After reviewing the handbook, please complete the following handbook signature card.
